DEPARTMENT OF AGRICULTURE, BENGAL

Calcutta, the 15th April 1944.

Revised Forecast of the Rabi Crops of Bengal for 1943-44.

(*Note.*—On an average of the five years ending 1941-42, the area under summer rice in Bengal has represented some 0·6 per cent. of the total area under rice in India.)

Character of the season.—Sowings commenced under favourable conditions and the crops grew generally under favourable weather conditions excepting in certain areas where untimely rainfall, hailstorm, drought and insect-pests adversely affected the growth and caused a little damage.

Acreage.—The total area sown under different *Rabi* (1) food crops and (2) non-food crops dealt with in this forecast estimated respectively at (1) 3,408,700 and (2) 706,900 acres this year against 3,472,700 (revised) and 716,200 acres respectively last year and against 3,033,300 and 708,300 acres respectively of the total estimated normal areas under the heads. The total food crops acreage this year shows a decrease by about 1·8 per cent. as compared with that of last year, although there has been an increase of about 8 per cent. under summer rice, the area being 517,800 acres this year against 479,800 (revised) last year. The area under tobacco this year is estimated at 300,200 acres against 303,900 last year.

Outturn.—According to District Officers' estimates, the average outturn of the different crops works out this year to 82 per cent. of the normal as against 85 per cent. last year.

Summer rice and tobacco crops.—The average outturn of the summer rice (*boro*) for the province works out to 94 per cent. of the normal against 91 (revised) per cent. last year. The gross yield of the crop on the basis of the normal yield of 13 3/5 maunds of clean rice per acre is estimated at 243,100 tons this year as against 218,100 (revised) tons last year.

The outturn of tobacco crops works out to 78 per cent. of the normal as against 82 per cent. of the last year. Taking 1,151 lbs. or 14 maunds as the normal yield of tobacco per acre, the gross yield for the province works out to 120,400 tons this year as against 128,200 tons last year.

M. CARBERY,
Director of Agriculture, Bengal.

Calcutta, the 1st May 1944.

Third Forecast of the Wheat Crop of Bengal, 1943-44.

(*Note.*—On an average of the five years ending 1941-42, the area under wheat in Bengal has represented some 0·5 per cent. of the total area under wheat in India. The ratio of irrigated wheat acreage to total wheat acreage (*a*) in British India and (*b*) in Bengal now reported on has, in the five years ending 1941-42, averaged (*a*) 47·5 and (*b*) 7·4 respectively.)

Character of the season.—Since the submission of the second forecast in March last, the weather has been fairly favourable although some damage has been caused by drought and insect-pests and also by hailstorm in some districts.

Acreage.—According to the estimates of the District Officers, the total area sown is 188,100 acres this year against 177,200 acres and 178,600 acres in the corresponding and final forecasts of last year.

Outturn.—The average provincial outturn as worked out from the district estimates is 79 per cent. as against 91 and 90 per cent. of the normal in the corresponding and final forecasts of last year.

Taking the normal yield to be 9 maunds per acre, the gross yield of the crop for the province works out to 49,100 tons this year as against 53,300 tons and 53,100 tons respectively in the corresponding and final forecasts of last year.

32. The provisions of this Act shall have effect in respect of all suits or proceedings including proceedings in execution for ejectment of a non-agricultural tenant which are pending at the date of commencement of this Act.

Rules.

33. (*1*) The Provincial Government may, subject to the condition of previous publication, make rules for carrying out the purposes of this Act.

The Bengal Non-Agricultural Tenancy Bill, 1944.

(Clause 33.)

(*2*) In particular and without prejudice to the generality of the foregoing power, such rules may provide for all or any of the following matters, namely :—

(*a*) the manner in which the landlord or the tenant may apply to the Court under sub-section (*2*) of section 7 ;

(*b*) the forms of the notices referred to in sections 14 and 15, the manner of service of such notices and the amount of the process fees referred to in the said section ;

(*c*) the manner in which the landlord's fees referred to in section 15 shall be transmitted to the landlord, the costs of transmission of such fees and the manner of payment of the landlord's fees and cost of transmission under sub-section (*12*) of that section ; and

(*d*) the determination of a fair and equitable rent referred to in sub-section (*3*) of section 21.

STATEMENT OF OBJECTS AND REASONS.

Government have considered the Report of the Non-Agricultural Land Enquiry Committee and are of the opinion that notwithstanding the provisions of the Transfer of Property Act, 1882, the non-agricultural tenants who hold lands under a lease for residential, business, manufacturing or other purposes are in need of better security. It is obvious, however, that the degree of protection cannot be the same for all classes of tenants and it has been considered necessary to make a distinction between tenancies which are—

(*1*) of unknown origin or which originated from before the Transfer of Property Act, 1882 ;

(*2*) held under a written lease for a specified period of not less than twelve years ;

(*3*) held under a written lease but without specification of any period or without a written lease but originating from after the Transfer of Property Act, 1882, in either case the period of possession not being less than twelve years ;

(*4*) held under a written lease or otherwise for a period of more than one year but less than twelve years.

It is proposed to confer permanent, heritable and transferable rights on all tenants coming under (*1*). Lessees under (*2*) should have a right of renewal on fair and equitable terms, but in case the lessor has allowed a *pucca* structure to be constructed on the land, the tenant should have the status of a permanent lessee irrespective of the period of occupation. Lessees under (*3*) should have a permanent heritable right. All holdings coming under (*2*) and (*3*) should be transferable on payment of a landlords' transfer fee. A perversion of user or a breach of a condition of the contract should be the only grounds on which a tenant under (*1*), (*2*) and (*3*) can be evicted. In case of tenants under (*4*) provision has been made for payment of compensation under certain circumstances in case of eviction.

The Bill has been drafted to provide for these protective rights and also to confer other incidental but necessary rights on the non-agricultural tenants of the different classes.

Nadia. No. 653M.—4th May 1944.—In exercise of the power conferred by clause (*b*) of sub-section (*1*) of section 554 of the Bengal Municipal Act, 1932 (Bengal Act XV of 1932), the Governor is pleased to direct that, pending the appointment of a suitable special officer, the A.R.P. By order of the Governor,
E. W. HOLLAND, Secy.

RESOLUTION No. 652M.

Calcutta, the 4th May 1944.

The annual reports on the working of the municipalities in the Presidency Division for the three years ending with 1939-40 show that the financial administration of the Santipur Municipality in the district of Nadia is very unsatisfactory. Moreover, the notes of inspection of the municipality made by the District Magistrate of Nadia on the 6th May 1941 disclose that the administration of the municipality continues to give cause for serious misgivings, that its finances are in a deplorable state, that the collections continue to be as poor as ever, that the provisions of the Government of India Adaptation Order are not followed by the municipal commissioners in the matter of crediting ferry receipts and that, in spite of repeated issue of specific instructions by successive inspecting officers for effecting improvements, the municipal authorities are either unwilling or unable to improve the affairs of the Board. An opportunity for improvement has been given over a considerable period, the Board having been warned in September 1941, that steps would be taken to supersede the collection department of the municipality unless adequate measures were taken to improve the collections. This warning has, however, no effect and the administration of the municipality has gone from bad to worse. The present position makes drastic economies in expenditure of the municipality necessary without any delay. Government have, therefore, been moved by the local officers to supersede the commissioners of the municipality under section 553 of the Bengal Municipal Act, 1932.

2. In September 1943, Government called upon the municipal commissioners to show cause why they should not be superseded under section 553 of the Bengal Municipal Act. The matter was considered by the municipal commissioners at a special meeting held on 16th October 1943 and they unanimously passed a resolution recommending supersession on the ground that otherwise there was no chance of any improvement of the municipal administration.

3. After a very careful consideration of the matter, Government have come to the conclusion that the Commissioners of the Santipur Municipality have shown their incompetency to perform, and have persistently made default in the performance of, the duties imposed on them by or under the Bengal Municipal Act, 1932. In exercise of the power conferred by section 553 of the said Act Government are accordingly pleased to declare the commissioners of the Santipur Municipality to be incompetent and in default and to supersede the said commissioners for a period of one year with effect from the date of publication of this resolution in the *Calcutta Gazette*.

4. Ordered that this resolution be published in the *Calcutta Gazette*.

By order of the Governor,
E. W. HOLLAND, Secy.

Provided that the Controller of any other Province may by countersigning it extend its validity to that Province.

11. (1) Any person desiring to purchase a used vehicle shall apply in Form E to the Controller of the Province in which he is residing; and the Controller may, after making such enquiries as he considers necessary, issue a permit in Form D or reject the application.

(b) the type, make and horse-power of the vehicle which should be sufficient for his requirements;

14. If any person intending to purchase a used vehicle from a recognised dealer considers that all repairs and replacements shown as necessary in the statement in Form C in respect of that vehicle have not been carried out by the recognised dealer, he may complain to the Controller, who if satisfied of the truth of the complaint, may direct the dealer to carry out all those repairs and replacements, and the dealer shall comply with the direction:

Provided that if the Controller is satisfied that for any reason beyond his control it is not possible for the dealer to carry out all or any of those repairs and replacements the Controller may direct him to make a corresponding reduction in the sale price of the vehicle.

WHEREAS an emergency has arisen which makes it necessary to amend the Hoarding and Profiteering Prevention Ordinance, 1943 (XXXV of 1943), for the purposes hereinafter appearing;

NOW, THEREFORE, in exercise of the powers conferred by section 72 of the Government of India Act, as set out in the Ninth Schedule to the Government of India Act, 1935 (26 Geo. 5, c. 2), the Governor General is pleased to make and promulgate the following Ordinance:—

1. *Short title and commencement.*—(*1*) This Ordinance may be called the Hoarding and Profiteering Prevention (Amendment) Ordinance, 1944.

(*2*) It shall come into force at once.

(*a*) to clause (*d*) the words "and includes an assistant inspector" shall be added;

(*b*) after clause (*f*) the following clause shall be added, namely—

"(*g*) the expression 'offer for sale' shall be deemed to include a reference to an intimation by a person of the price proposed by him for a sale of an article, made by the publication of a price list, by exposing the article for sale in association with a mark indicating price, by the furnishing of a quotation, or otherwise howsoever."

3. *Amendment of section 3, Ordinance XXXV of 1943.*—To sub-section (2) of section 3 of the said Ordinance the words "or for different classes of dealers or producers" shall be added.

4. *Amendment of section 4, Ordinance XXXV of 1943.*—(*1*) Section 4 of the said Ordinance shall be renumbered as sub-section (*1*) of the said section, and in the sub-section as so renumbered, in clause (*c*), after the words "offer for sale" the words "or otherwise dispose of" shall be inserted.

(*2*) After sub-section (*1*) as so renumbered the following sub-section shall be added, namely:—

"(*2*) Where a dealer or producer disposes of an article by having it sold by auction on his behalf, the auctioneer as well as the dealer or producer shall be liable to the punishment provided by sub-section (*1*) of section 13, if in any such sale there is a contravention of clause (*c*) of sub-section (*1*)."

5. *Amendment of section 6, Ordinance XXXV of 1943.*—For sub-sections (*2*) and (*3*) of section 6 of the said Ordinance the following sub-sections shall be substituted, namely:—

"(*2*) For the purposes of this section a consideration is unreasonable if, whether it is exclusively in money or not,—

(*a*) the purchaser is, as a condition of sale, required to purchase at the same time any other article;

(*b*) where the sale is by a dealer, the consideration exceeds the amount represented by the addition allowed by the normal trade practice in force on the 31st day of August, 1939, to—

(*i*) the landed cost of the article, in the case of an article imported into British India, or, where the article is delivered to the consignee elsewhere than at a port, that cost increased by any charges incurred for freight and octroi or other duties before delivery, or,

(*ii*) the price at which the producer sold the article, in the case of an article which is not imported;

(*c*) where the sale is by a producer, the consideration exceeds the amount represented by the addition allowed by the normal trade practice in force on the 31st day of August, 1939 to the cost of production:

Provided that, where the addition allowed by such normal trade practice exceeds or is alleged to exceed 20 per cent., the dealer or producer, as the case may be, shall report the fact to the Controller General who may either sanction such addition or, for reasons to be recorded in writing, order its variation; and, unless such report has been made and the price charged is within the limits approved by the Controller General under this proviso, the dealer or producer, as the case may be, shall be deemed to sell for a consideration which is unreasonable.

(*3*) The Controller General may make or cause to be made a certificate stating the landed cost of any imported article dealt in by a dealer, and shall, on request made by any dealer, grant or cause to be granted to that dealer a certificate stating the landed cost of any such imported article.

(*4*) Where a dealer or producer disposes of an article by having it sold by auction on his behalf, the auctioneer as well as the dealer or producer shall be liable to the penalty provided by sub-section (*1*) of section 13, if in any such sale there is a contravention of sub-section (*1*)."

(*b*) if the prosecution was in respect of a sale or an offer to sell or a disposal otherwise than by sale, the buyer under any sale of similar articles effected at the same or a higher price in the course of that business in contravention of the provisions of sub-section (*1*) of section 6 before the date of the conviction,

may at his option—

(*i*) either treat the sale as void, and recover from the seller, as money received by him for the use of the buyer, any amount paid by the buyer as consideration therefor, or

(*ii*) affirm the sale but recover as aforesaid to the extent of any loss sustained by him by reason of the contravention, regard being had to any consideration received or to be received by him for a resale of the articles:

Provided that the buyer shall not be entitled to exercise the right conferred by clause (*i*) if any rights acquired by a third-party would be prejudiced thereby, or after the lapse of an unreasonable time from the date of the sale, or unless he tenders the articles to the seller in substantially the same state as that in which they were when the property passed to the buyer.

(*2*) Any sum recoverable under this section shall be recoverable with interest thereon at the rate of 5 per cent. per annum from the date when it was paid.

(*3*) No person may exercise any right conferred by this section who is himself liable to punishment as an abettor of the contravention in question."

"14A. *Summary trials.*—Notwithstanding anything contained in section 260 in Chapter XXII of the Code of Criminal Procedure, 1898 (V of 1898), a Magistrate empowered to act under that section may try any offence punishable under this Ordinance in a summary way under the provisions of that Chapter, unless the District Magistrate directs that the case should not be so tried.

14B. *Special rules of evidence.*—(*1*) In any prosecution for a contravention of the provisions of section 5 the burden of proving that the quantity of an article in the possession of an accused person was not in excess of the limits specified in that section shall lie on the accused person.

(*2*) In any prosecution for a contravention of the provisions of section 6, when the sale of or offer to sell or disposal of the article in question and the price at which it was made have been proved, then, if it is also proved that such price exceeded by more than 20 per cent. the amount specified in sub-clause (*i*) or (*ii*) of clause (*b*) of sub-section (*2*) of section 6 or in clause (*c*) of that sub-section as the case may be, it shall lie on the accused person to prove that the sale price charged was within the limits approved by the Controller General under the proviso to the said sub-section.

(*3*) For the purposes of section 6 a certificate signed by or under authority from the Controller General as to the landed cost of any article shall be conclusive evidence of that landed cost.

14C. *Offences by corporations.*—If the person contravening any provision of this Ordinance is a company or other body corporate every director, manager, secretary or other officer or agent thereof shall, unless he proves that the contravention took place without his knowledge or that he exercised all due diligence to prevent such contravention, be deemed to be guilty of such contravention."

Now, therefore, in exercise of the power conferred by section 2 of the Epidemic Diseases Act, 1897 (Act III of 1897), the Governor is pleased to prescribe the following temporary regulations for the prevention and control of small-pox, and for the medical inspection, isolation, observation and surveillance of persons suffering from, or suspected of being infected with, small-pox in the said municipality for a period of three months:—

Temporary regulations for the prevention and control of small-pox.

1. In these regulations, unless there is anything repugnant in the subject or context—

(*a*) "Health Officer" means the Health Officer of the municipality;

(*b*) "Sanitary Inspector" means a Sanitary Inspector appointed by the municipality;

(*c*) "Small-pox" means any disease accompanied by an eruption of vesicles or pustules;

(*d*) "Patient" means a person suffering from or suspected to be suffering from small-pox;

(*e*) "Medical practitioner" means any person practising the medical profession.

Notices.

2. If in any case the Health Officer or a Sanitary Inspector considers that the issue of a notice under regulation 20 is likely to lead to such an amount of delay as might facilitate the spread of small-pox, he may forthwith take such steps as he may think fit for carrying out the work, and shall thereafter, as soon as possible, issue a notice on the person concerned stating the reason why such work has been carried out.

3. If any measure which the Health Officer or a Sanitary Inspector has, by a notice issued under regulation 20, required to be carried out, be not carried out to his satisfaction within the time stated in the notice the Health Officer or a Sanitary Inspector shall be entitled to carry out the measure.

Cost and compensation.

4. (*1*) All expenses incurred in carrying out any work in pursuance of an order issued under these regulations shall be paid by the municipality except in any case where the order directs a person to carry out any work in relation to property in his possession, in which case the expenses shall be paid by such person:

Provided that where the conditions, which led the Health Officer or a Sanitary Inspector to pass such an order, are not attributable to any act or default of the person in possession of the property, the municipality may pay to such person the whole or a part of the expenses incurred by him in carrying out the order.

(*2*) The municipality may recover all expenses incurred by the Health Officer or a Sanitary Inspector in carrying out the measure under regulation 3 from the person or persons to whom the notice was originally issued.

5. The municipality shall pay adequate compensation to any person who has sustained substantial loss or damage by reason of anything done under these regulations:

Provided that no person shall receive any compensation for anything done or suffered under these regulations, if he has failed to carry out an order, issued under these regulations within the time specified in the order and to the satisfaction of the Health Officer or a Sanitary Inspector.

Location of disease.

6. When a case of small-pox occurs in a house, the nearest male relative in attendance upon the patient, or in the absence of any such relative the occupier of the house, or if the occupier be the patient, the senior male inmate of the house other than patient of the house shall within twenty-four hours of the onset of the disease, give information regarding the occurrence of such case either personally or in writing to the nearest Sanitary Inspector. When the inmates of the house are all females the medical attendant or the senior male inmate of the nearest house shall give the required information.

7. (*1*) Every medical practitioner called in to attend upon any case of small-pox shall forthwith give notice of the case by a special messenger to the Health Officer or a Sanitary Inspector and the cost of such messenger in each case shall be defrayed by the municipality.

(*2*) The doctor-in-charge of a hospital or a dispensary within the municipality shall forthwith give notice of any case of small-pox brought to such hospital or dispensary for treatment to a Sanitary Inspector or to the Health Officer by a special messenger and the cost of such messengers in each case shall be defrayed by the municipality.

8. Registrars of births and deaths shall apply to the Health Officer or a Sanitary Inspector such periodical returns of cases of small-pox as he may from time to time call upon them to furnish.

9. The Health Officer or a Sanitary Inspector may examine any person who is or suspected to be suffering from small-pox or who, in his opinion, may be infected with or likely to spread small-pox.

Isolation of patients.

10. When the Health Officer or a Sanitary Inspector considers that the isolation of any patient is a precaution necessary for the protection of the neighbouring population, he shall order the patient to observe isolation and may order the nearest relative in attendance on the patient, or the occupier of the house in which the patient is staying to arrange for the isolation of the patient in such a manner and for such a time as may be approved by the Health Officer or a Sanitary Inspector.

He shall not direct the patient to be removed from the house unless it is, in his opinion, impossible to make proper arrangements for his isolation therein.

11. The Health Officer or a Sanitary Inspector may order that any person, who has been in contact with a person found to be suffering from small-pox shall be segregated for a period not exceeding a fortnight in a manner and in a place to be approved by the Health Officer or a Sanitary Inspector.

12. The Health Officer or a Sanitary Inspector may order that any person who has been in contact with a person found to be suffering from small-pox shall be vaccinated or revaccinated within a time to be specified in the order.

13. No person shall enter any place wherein a patient is isolated under regulation 10 without the permission of the Health Officer or a Sanitary Inspector.

ORDINANCE No. II OF 1944

AN

ORDINANCE

to regulate the prices which may be charged in sales of cotton cloth and yarn under contracts.

WHEREAS an emergency has arisen which makes it necessary to regulate the prices which may be charged in sales of cotton cloth and yarn under contracts;

NOW, THEREFORE, in exercise of the powers conferred by section 72 of the Government of India Act, as set out in the Ninth Schedule to the Government of India Act, 1935 (26 Geo. 5, c. 2), the Governor General is pleased to make and promulgate the following Ordinance:—

1. *Short title, extent and commencement.*—(*1*) This Ordinance may be called the Cotton Cloth and Yarn (Contracts) Ordinance, 1944.

(*2*) It extends to the whole of British India.

(*3*) It shall come into force at once.

2. *Sales in pursuance of contracts.*—(*1*) Where after the making of any contract for the sale of cotton cloth or cotton yarn by one wholesale dealer to another or by a wholesale dealer to a retail dealer the maximum prices ex-factory and retail at which such cloth or yarn may be sold have been fixed by an order made under the Cotton Cloth and Yarn (Control) Order, 1943, then, notwithstanding anything to the contrary in such contract, when any delivery takes place in pursuance of that contract on or after the date of

the said order, the maximum price which may be charged for such cloth or yarn shall not in any case exceed the maximum retail price fixed by the said order, nor shall it in the case of a first or any subsequent sale after delivery from the manufacturer exceed by more than a percentage to be fixed in this behalf by the Textile Commissioner the price paid on the occasion of the last preceding transfer, or, if the said order has fixed a maximum price in respect of such sale, that maximum price; and where, in pursuance of any such contract, the buyer has paid a price exceeding that laid down in this section, whether voluntarily or in execution of a decree passed by a Court or otherwise, he shall be entitled to receive from the seller any sum so paid in excess.

(2) The provisions of this section apply to contracts made whether before or after the commencement of this Ordinance, and to sales made in pursuance of any such contract on or after the 15th day of August 1943.

GOVERNMENT OF BENGAL

REVENUE DEPARTMENT.

Land Revenue.

ORDER.

No. 9352L.R.—19th May 1944.—In exercise of the powers conferred by clause (*bb*) of sub-rule (*2*) of rule 81 of the Defence of India Rules, the Governor is pleased to make the following amendments in the Calcutta House Rent Control Order, 1943, namely:—

Amendments.

1. *After* clause (*4*) of paragraph 2 of the said Order, *add* the following clause:—

"(*5*) 'tenant' means any person by whom or on whose account rent is payable for a house, and includes a person continuing in possession after the termination of a tenancy in his favour".

2. *After* paragraph 9 of the said Order, *insert* the following paragraph:—

"9A. (*1*) No suit or proceeding by a landlord against a tenant in possession of a house for eviction of such tenant therefrom in which any of the grounds specified in clause (*c*) of the proviso to sub-paragraph (*1*) of paragraph 9 has been taken as a ground for such eviction shall be entertained by any Court, or, where any such suit or proceeding by a landlord is pending in any Court on the twenty-second day of May 1944, no decree or order for the recovery of possession of the house in respect of which such suit or proceeding is pending shall be made by such Court on any of the grounds specified in the said clause (*c*) unless the landlord has been permitted by the Controller by an order in writing under sub-paragraph (*3*) to institute such suit or proceeding or to prosecute the suit or proceeding so pending, as the case may be, and has produced before such Court proof that such permission has been granted.

(*2*) If in any suit or proceeding by a landlord against a tenant in possession of a house for eviction of such tenant therefrom, a decree or order for the recovery of possession of such house has been made on any of the grounds specified in clause (*c*) of the proviso to sub-paragraph (*1*) of paragraph 9 on or before the twenty-second day of May 1944, but the possession of such house has not been recovered from the tenant, the execution of such decree or order shall be stayed until the landlord produces before the Court by which such decree or order may be executed or in which such execution is pending, as the case may be, proof that he has been permitted by the Controller by an order in writing under sub-paragraph (*3*) to recover possession of such house by the execution of such decree or order.

(*3*) A landlord wishing to obtain from the Controller—

(*a*) any order referred to in sub-paragraph (*1*) permitting him to institute a suit or proceeding against a tenant in possession of a house for evicting such tenant therefrom or permitting him to prosecute any such suit or proceeding pending in any Court, or

(*b*) any order referred to in sub-paragraph (*2*) permitting him to recover possession of the house in respect of which any decree or order referred to in the said sub-paragraph has been made by the execution of such decree or order,

shall apply in writing to the Controller in that behalf, and if on receipt of such application the Controller after giving the tenant in possession of the house an opportunity of showing cause against the application and considering all the circumstances of the case is satisfied—

(*i*) in the case referred to in clause (*a*) that there is sufficient cause to hold that any of the grounds specified in clause (*c*) of the proviso to sub-paragraph (*1*) of paragraph 9 which has been taken by the landlord as a ground for eviction of the tenant in the suit or proceeding referred to in the said clause (*a*) exists, and

(*ii*) in the case referred to in clause (*b*) that it is a fit case for the landlord to recover possession of the house by execution of the decree or order referred to in that clause on any of the grounds specified in the said clause (*c*) on which such decree or order has been made,

the Controller shall for reasons to be recorded in writing make the order applied for, and if the Controller is not so satisfied he shall also for reasons to be recorded in writing make an order rejecting the application.

(*4*) The Controller may, before making under sub-paragraph (*3*) any order referred to in sub-paragraph (*2*) permitting a landlord to recover possession of a house by the execution of a decree or order, allow such time as he considers necessary to the tenant to vacate the house and to deliver possession thereof to the landlord.

(*5*) Any person affected by any order of the Controller made under sub-paragraph (*3*) shall be entitled to be furnished with a copy thereof and such copy shall be admissible in evidence in any Court of law to prove the order of the Controller.

(*6*) Where any appeal has been presented under paragraph 14 against an order of the Controller under sub-paragraph (*3*) permitting a landlord to institute a suit or proceeding in any Court or to prosecute any suit or proceeding pending in any Court or to recover possession of a house by the execution of a decree or order, all proceedings in connection with such suit or proceeding or the execution of such decree or order shall be stayed during the period such appeal is pending on intimation of such appeal being given to the Court in which such suit or proceeding has been instituted or such suit or proceeding or the execution of such decree or order is pending, as the case may be, by the person to whom such appeal has been presented".

3. *After* paragraph 11 of the said order, *insert* the following:—

"11A. (*1*) The Controller shall on application made to him in that behalf by any tenant in possession of any house cause a notice to be served on the landlord thereof requiring him to make any repairs which such landlord is bound to make to the house or to take any measures for the due maintenance of any essential supply or service, such as, the maintenance of supply of water or electricity, the maintenance of drainage service and the maintenance of any lift, which such landlord is bound to maintain in the house under the conditions of the tenancy.

(*2*) If after receipt of such notice the landlord fails or neglects to make within reasonable time such repairs or to take within reasonable time such measures, as the case may be, the tenant may submit to the Controller an estimate of the cost of such repairs or measures, and may apply to him for permission to make such repairs or to take such measures himself and thereupon the Controller may, after considering such estimate of cost and making such inquiries as he may consider necessary, by an order in writing, permit the tenant to make such repairs or to take such measures, as the case may be, at a cost not exceeding such amount as may be specified in the order and it shall thereafter be lawful for the tenant to make such repairs or to take such measures himself and to deduct the cost thereof which shall in no case exceed the amount so specified from the rent or otherwise recover it from the landlord".

4. In sub-paragraph (*2*) of paragraph 14 of the said Order, *for* the words "making such further inquiries" *substitute* the words "taking such evidence himself or personally making such further inquiries".

Necessary notices shall be issued by the Registrar to all the members at least ten days before the date fixed for the meeting.

3. The presence of at least eight members shall be necessary to form a quorum for the purpose of this meeting.

4. The President, or in his absence, the Vice-President, shall be the Chairman of the meeting and in absence of both the members present shall elect one from amongst them as their Chairman.

5. Nomination of candidates for co-option as members shall be in writing in Form No. 1 herewith annexed and shall be signed by the proposer and seconder who must be members of the Council and also by the candidate. All nomination papers must be sent so as to reach the Registrar of the Council not later than 3 p.m. on the fourth day before the date of the meeting.

7. Each nomination paper shall contain one nomination only but any member may nominate two, but not more than two, candidates for co-option by means of separate nomination papers, provided that if two candidates are nominated or seconded by the same member one of them must be a registered Ayurvedic practitioner. If any member nominates more than two candidates all the nominations by that member shall be void.

8. The nomination papers shall be scrutinised by the President of the Council who shall reject any nomination paper in respect of which there has been any contravention of the procedure herein prescribed.

9. The Register shall then cause ballot papers to be prepared in Form No. 2 herewith annexed containing the names of all candidates duly nominated for co-option as members. The Chairman shall read out these names at the meeting and if the number of candidates so nominated be two of which at least one is a registered Ayurvedic practitioner or if the number be reduced to two including at least one registered Ayurvedic practitioner by the withdrawal at or before the meeting of any of the candidates naminated for co-option

(*b*) If there be more than two candidates, for whom valid nomination papers have been received, but all of whom happen to be registered Ayurvedic practitioners, the Chairman shall hold a ballot in the manner laid down in rule 9 and declare the two candidates having the largest number of votes as duly co-opted. In case of equality of votes the co-option shall be decided by lot.

(*c*) If there be two or more candidates for whom valid nominations have been received, but none of whom is a registered Ayurvedic practitioner, the Chairman shall hold a ballot in the manner laid down in rule 9, and declare the candidate having the largest number of votes as duly co-opted. In case of equality of votes, the co-option shall be decided by lot. The failure to co-opt a registered Ayurvedic practitioner shall then be reported to the Provincial Government for appointing such a person in the vacant seat.

11. If there be more than two candidates duly nominated of which at least one is registered Ayurvedic practitioner the Chairman shall call upon the members present to record their votes:

Provided that if only one registered Ayurvedic practitioner is duly nominated he shall forthwith be declared to be duly co-opted to the seat reserved for such practitioners. The members shall thereupon be asked to record their votes for co-option of a member to the remaining seat.

(5) count the votes.

16. The candidate duly nominated from among the registered Ayurvedic practitioners who secures the largest number of votes shall first be declared by the Chairman to be duly co-opted to the seat reserved for such practitioners. Of the remaining candidates, the person for whom the largest number of votes has been recorded shall then be declared to be co-opted to the other seat irrespective of the fact whether he is a registered Ayurvedic practitioner or not.

17. Where an equality of votes is found to exist between any candidates and the addition of one vote will entitle any of those candidates to be declared co-opted the determination of the person or persons to whom such one additional vote shall be deemed to have been given shall be made by lot to be drawn at the meeting in such manner as the Chairman shall determine.

18. The names of the persons co-opted shall be forthwith communicated by the Chairman to the Registrar of the Council who shall report these to the Provincial Government for publication in the *Calcutta Gazette*.

1. The rate of 13 annas and 6 pies shall be levied per acre of which the raiyats including persons holding non-agricultural tenancies analogous to raiyati holdings shall pay at six annas nine pies per acre and their landlords of all grades together at six annas nine pies per acre.

Common lands such as rivers, roads, khals, halats, burial grounds, buring ghats, etc., used by the public, but not appertaining to any tenancy, will be excluded from assessment. Tanks, even if used by the public and not appertaining to any tenancy, will not be excluded.

2. Landlords shall pay the raiyats' share for lands in their possession and raiyats shall pay at the full raiyati rate for lands comprised in their holdings.

3. Rent-free holders, whether of the grade of raiyats or tenure-holders, shall pay the whole of the landlords' share for their lands and also the raiyats' share for lands in their khas possession.

4. As between the different grades of landlords, the landlords' share shall be apportioned thus:—

(*a*) permanent tenure-holders whose rent is fixed in perpetuity shall pay their own share of the cost and that of the landlords superior to them;

(*b*) other permanent tenure-holders, and temporary tenure-holders whose lease has still over fifteen years to run, shall pay three-fourths of the landlords' share, and their landlords shall pay the remaining one-fourth;

(*c*) temporary tenure-holders whose lease has fifteen years or less to run shall pay 15/16ths of the share which they would pay in accordance with (*b*) above, if they were permanent tenure-holders; and so on proportionately, according to the number of years of the lease to run; and

(*d*) temporary tenure-holders who do not hold on a lease or for fixed term shall pay half of the landlords' share.

Explanation.—The calculation shall be made from the lowest grade of landlords immediately above the raiyats; the period for which the lease of the tenure or under-tenure is to run is to be reckoned in each case from the close of the agricultural year in which the record is finally published.

5. Under-raiyats having occupancy right or protected under section 48C(*e*), proviso (*i*)(*1*) and (*2*), shall pay at the rate of six annas nine pies per acre, while other under-raiyats shall pay at four annas for a tenancy or part of a tenancy recorded in one village.

In temporary jalkars having more than fifteen years to run and in permanent jalkars, the rates shall be half anna per rupee of rent. The minimum charge for a jalkar khatian shall be four annas. The rent-receiver of such jalkars will pay at the same rate as jalkadars.

9. Usufructuary mortgagees shall pay 15/16ths of the cost and the mortgagor 1/16th, if the mortgage has fifteen years to run or more. If it has less than fifteen years to run, the cost will be divided proportionately between the mortgagor and the mortgagee to the number of years to run out of fifteen.

10. The calculation shall be as follows:—

(*a*) it shall be made to the nearest anna;

(*b*) areas less than one acre shall be charged for as one acre;

(*c*) for broken areas over 1 acre, there shall be no charge for the broken portion, if it is less than half an acre; but if the broken portion be half an acre or more, it shall be taken as a full acre; and
